

Directions to the Garden Fair (Gartenschau) Upper Entrance.

Coming from Vogelweh:

Take B37 towards downtown Kaiserslautern. Go past the Burger King on the left hand side. At the next major intersection (where you'd turn right to go downtown) GO STRAIGHT onto the Berliner Straße.

After a short bit, you'll go over a bridge from which you can look down on the lower part of the Garden Fair grounds. (On the left you'll see the big dinosaurs.)

Directly after a pedestrian bridge leading over the road is a traffic light with signs towards Moorlautern, Erlenbach and Otterberg. TURN LEFT. You'll then drive up a fairly steep hill.

At the first traffic light, TURN LEFT.

Just as the road is curving to the right, TURN LEFT onto the first street. You should see a small sign for the Garden Fair there. The entrance is up at the end of this street.

Coming from KAISERSLAUTERN CENTRUM exit (The Möbel Martin exit) at the A6:

Take the Mainzer Straße towards downtown Kaiserslautern. Stay on that road for a while (which changes names twice along the way) until you drive past the Rathaus on the left-hand side. Look then for the Shell station on the left.

Right after the Shell station is a traffic light with signs towards Moorlautern, Erlenbach and Otterberg. TURN RIGHT. You'll then drive up a fairly steep hill.

At the first traffic light, TURN LEFT.

Just as the road is curving to the right, TURN LEFT onto the first street. You should see a small sign for the Garden Fair there. The entrance is up at the end of this street.

WHEN YOU'VE ENTERED THE GARDEN FAIR GROUNDS, JUST GO DOWNHILL TO THE WILLOW CHURCH, WHICH YOU CAN'T MISS. IF IT RAINS, WE'LL HOLD THE SERVICE IN THE BROWN WOODEN BUILDING JUST UPHILL FROM THE CHURCH.
